Reading Challenge 1ST round

An Activity Initiative by Central Board of Secondary Education for Classes VIII to X

Reading is a powerful tool that enhances imagination, creativity, language skills, and critical thinking among students. To promote reading habits and develop language proficiency, our school is organizing a Reading Challenge in Hindi and English for students of Classes VIII to X as part of the activity-based learning initiative. The Reading Challenge aims to encourage students to explore a wide variety of literary works such as stories, poems, articles, biographies, and informative texts in both Hindi and English. Through this activity, students will strengthen their vocabulary, comprehension skills, and confidence in reading and expression. It will also help them develop an appreciation for literature and improve their communication abilities. As part of the challenge, students will be encouraged to select age-appropriate books or reading materials in both languages. They will be given specific reading targets and will participate in activities such as book reviews, storytelling sessions, reading presentations, and creative reflections based on their reading. This interactive approach will make reading enjoyable and meaningful while enhancing analytical and interpretative skills. The Reading Challenge will also promote independent learning, curiosity, and a love for reading beyond textbooks. It will provide students with an opportunity to explore diverse cultures, values, and ideas through literature in both Hindi and English.

Through this initiative, the school aims to nurture lifelong readers and learners, helping students build strong language foundations and develop essential academic and life skills.

GANDHI JAYANTI CELEBRATION AT SCHOOL : On 2nd October 2025, our school proudly celebrated **Gandhi Jayanti** to honor the birth anniversary of Mahatma Gandhi, the Father of our Nation. The celebration was conducted with great enthusiasm and a deep sense of respect for his values and vision. The program began with a special morning assembly where students presented speeches, poems, and patriotic songs highlighting Gandhiji's principles of truth (*Satya*) and non-violence (*Ahimsa*). A short skit was also performed to depict important events from his life and his contribution to India's freedom movement.

Cleanliness Drive – “Swachhata Hi Seva”

To promote Gandhiji's vision of cleanliness, our school organized a cleanliness drive within the campus. Students and teachers actively participated in cleaning classrooms, corridors, playground areas, and the school garden. They also created posters and slogans spreading awareness about hygiene and the importance of keeping our surroundings clean.

Through this activity, students understood that cleanliness is not just a duty but a responsibility towards society. Gandhiji strongly believed that “Cleanliness is next to Godliness,” and encouraged everyone to maintain personal and community hygiene.

2/10/2025

Gandhiji's Vision: Mahatma Gandhi dreamed of a clean, self-reliant, and united India. He emphasized:

- Clean surroundings and healthy living
- Simplicity and discipline
- Respect for all religions
- Peace and harmony in society

Our principal addressed the students and encouraged them to follow Gandhiji's ideals in daily life by being honest, kind, and responsible citizens.

The celebration concluded with a pledge taken by all students and staff to maintain cleanliness in the school and community and to uphold the values shown by Mahatma Gandhi.

NOVEMBER - 2025

FIRST-AID AND DISASTER MANAGEMENT TRAINING WAS A COLLABORATION BETWEEN DE VITO SCHOOL BHOWALI AND SIX SIGMA HOSPITAL NEW DELHI.

7/11/2025

First aid training in schools is an important initiative that prepares students to respond effectively in emergency situations. It includes essential life-saving techniques such as Cardiopulmonary Resuscitation

(CPR), which helps maintain blood flow and breathing during cardiac emergencies.

Students are also trained in basic skills like treating minor injuries, controlling bleeding, and safely assisting injured persons. Activities such as rope climbing training are included to build physical strength, confidence, and coordination, which are useful during rescue situations. Such training not only improves students' practical knowledge but also builds courage, teamwork, and a sense of responsibility. It ensures that they are better prepared to handle emergencies and help others when needed.

Free Health Camp At De-Vito school Bhowali

A Free Health Camp was organized at De Vito School, Bhowali in collaboration with Six Sigma Hospital, New Delhi, and Chandan Hospital, Haldwani.
